Hi all,

Ex. 5 AC/DP

Shortly after our meeting, WMA submitted to Wendy two documents (see attached) that we thought overlaps with the next steps described above. Please take a look at the summary table and map attachments and let us know if the examples provided correctly describe the process in your region. If you can provide us with this feedback (such as yes, yes with caveats, or no) by 7/30 that would be great.

We hope to put this on the agenda for the next AE workgroup call so we can have a more detailed discussion about the yes with caveats and no answer s.

Thanks,
Sue
